2008-2009 Grant Application

Application Deadline: October 24, 2008

We are pleased to announce the foundation's next grant program. Please complete the attached application and submit it with your grant narrative. This will be the first of two reminders to take advantage of these grant funds.

The foundation trustees will utilize the information you provide to determine the possibility of funding your project. The proposal should explain the innovation of the project that provides students/teachers the opportunity to reach beyond general curricular needs.

Please clearly define your proposal with the following:

1. Project Title
2. Statement of Need
3. Clearly Stated Objectives
4. Methods of Implementation
5. Benefits to the Students
6. Budget Details
7. Evaluation of Successful Implementation
8. Method of Final Report to the LEAF Board

Upon review, the foundation will take one of the following actions:

1. Approve the application for funding
2. Return the application with suggestions for resubmitting
3. Reject the funding of the application

All applicants will receive a notification of the decision in writing by mid-November
Deadline for submission: October 24, 2008

Thank you for your interest in LEAF and the future of our students. We look forward to your proposals.

Sincerely, LEAF Board
